

Tiger Band Fall Conflict Sheet

It is essential that students are at all rehearsals and performance. Please take time now and use the space below to list any conflicts your student will have over the course of the upcoming fall band season. The directors will review all conflicts and respond to the e-mail below if the absence will be excused or unexcused. A decision will also be made about any penalty that will be assessed due to an absence. Attendance will be a major factor in determining who gets permanent marching positions. Students that miss rehearsals or performances that are not listed on this form will be subject to removal from their position.
